A Message From Our Director

"A new era has begun for the UK, and I take great pride in leading UK Residency to be at the forefront of the immigration industry. We enable families and businesses from all corners of the globe to live, invest and do business in the United Kingdom. All that we do has a positive impact on the individuals we help and the outcomes we create. We are the pioneers of smart migration, and like our clients, we place particular focus on a practical approach, seamless service and impeccable quality."

- Barry John Harwood, Director & Lawyer, UK Residency

Barry is a former Barrister and was at the Bar for over 22 years. After completing his combined pupillage in Criminal and Civil law, he went on to specialise in employment law, all aspects of discrimination & tribunals.

He is a senior champion and role model for Stonewall UK. In this time, he has also spent 12 years as a senior lecturer in law teaching the Bar Professional Training Course at Manchester Metropolitan University. He is also a fully qualified mediator and was a former pupil supervisor, he put those skills into use on various committees of which he is a trustee member of a Multi-Academy Trust.

Barry was a previously elected member of the Bar Council of England and Wales, serving on both the Equality, Diversity and Social Mobility and the Education and Training committees. He also gave back to the profession by teaching advocacy to Bar students at the Lincoln's Inn residential weekends. He was a staff Governor and equality & diversity champion to the board of Governors at Manchester Metropolitan University. He is also a qualified international civil & commercial mediator. Furthermore, Prior to becoming a barrister, Barry also served in the police force, having been a dedicated officer and public servant for over 15 years.

ABOUT US

UK Residency is the smart gateway to the United Kingdom. We enable individuals, families, and businesses to access the UK through specialised and dedicated routes, which include, investment, business, employment and education. UK Residency was launched as an initiative to boost and stimulate the UK economy, post Brexit, we add value to the UK by securing, and introducing, top talent, strategic investment, and beneficial businesses into the country.

We are the pioneers of smart migration. Here at UK Residency we value innovation, client experience and efficiency. By integrating smart technology, clever processing systems, and a secure online platform, we are able to make our clients journey to the UK simpler, clearer and faster.

We work hard to understand our clients' plans and objectives. Then we put together the right team, with the right mix of skills, languages and experience, to help our clients get to where they want to be as easily and cost-effectively as possible.

We are synonymous with excellence and clear communication is vital to what we do. Our specialists work closely with our clients, to make sure that they always know what's going on and that everything is delivered on time.

We offer a seamless service, ensuring our clients have a clear roadmap of their journey to the UK. Our team is passionate about immigration and brings enthusiasm and commitment to every case they work on. We care about our clients and always go the extra mile to ensure that everything is 'just right.'

WHY CHOOSE US?

We've helped scores of individuals and businesses obtain visas for the UK and/or challenge Home Office immigration decisions. With over 100 years of combined experience in the legal sector, immigration, and international business, our team offers our clients a service level which is second to none. We hold client experience in the highest regard, and our results and reputation proves just that.

We are a global company with a massive international presence, our team is diverse, highly skilled and experienced.

We aim to deliver a seamless experience for our clients by offering bespoke services and tailoring our consultancy to their needs. We prioritize relationships over transactions, and our team goes the extra mile to make sure that our clients are satisfied and happy.

Our clients appreciate our ability to offer a tailor made service, catering to the unique needs of their families and businesses. Each case is different and here at UK Residency we ensure that every single client is given the attention, assistance and support to help them achieve their personal and business immigration goals.

WHAT WE DO?

We are an innovative and unique consultancy, our dedicated team of experts provide our clients with the very best solutions, and our systems and processes ensure that, from onboarding, to approval, to aftercare, that our clients are satisfied and their experience is seamless.

UK Residency aims to deliver a full 360 turnkey solution to UK immigration, employment and business expansion.

Our team offers value in five key service areas;

- ✓ Immigration
- ✓ Business Expansion
- ✓ Relocation Services
- ✓ Professional Services
- ✓ Investment & Financial Services

We are the one-stop-shop, and our clients appreciate that all of their needs can be catered to through one single organisation.

We have processed thousands of applications, and helped scores of businesses and individuals take advantage of all that the United Kingdom has to offer.

OUR PRINCIPLES

Our organisation prides itself on being founded on three core principles.

1. To add value to the UK economy by securing top talent, and introducing key businesses and strategic investment into the county.
2. To make the UK more accessible to foreign nationals who wish to contribute to the multicultural society in a positive manner, and add value to the British economy.
3. To offer a seamless and efficient service, improving the conventional processing system with a touch of innovation and smart technology

CORE VALUES

WE UNDERSTAND

We take the time to listen to your needs and truly understand your goals. Our consultants will evaluate your position and offer the best advice, tailored to your personal, professional and business goals.

WE STRATEGIZE

After we have fully assessed your needs, our in-house team of experts and specialists will tailor a proposal that will satisfy and exceed your goals. With a combined total of 50+ years of experience, our international team can find solutions to all of your needs.

WE DELIVER

We pride our brand on the ability we have to deliver results for our clients. With our extensive experience, resources and facilities, we are able to implement our strategy, executive it, and provide a "rolls royce" service with the best outcomes.

“

"People who build wealth don't live in a country, they live in the world, and they try to look at more than where they live, to make decision on what to do for the betterment of themselves, their business, and their family."

OUR SERVICES

INVESTMENT MIGRATION

Our team works closely with investors, wealth managers and leading banks to prepare and submit high-quality visa applications for investors and their families.

Our team of a business analyst is also experienced in assisting all types of entrepreneurs. Whether you are considering setting up and running a new business in the UK or looking to invest in an established business, our business analysts are experts in the immigration options for entrepreneurs and can guide you through the complex Home Office rules and policies.

FAMILY MIGRATION

Our immigration advisors regularly assist foreign national spouses, civil partners, unmarried partners, fiancé(e)s, proposed civil partners, children and adult dependent relatives to relocate to, and settle in, the UK with their British citizen or settled family members. Whether you require expert advice on the requirements of the Immigration Rules, an independent assessment of your prospects of qualifying for a family visa or professional assistance with preparing a family visa application or appeal, our immigration advisors can help.

WORK/BUSINESS VISAS

Our team of business immigration advisors has experience in assisting employers and skilled workers across a variety of industries and in companies of all sizes. From skilled workers looking to take up new opportunities in the UK, to employees of multinational companies transferring to the UK branch and senior employees of overseas businesses seeking to establish a UK branch or subsidiary, to practice your innovation as an entrepreneur in the UK, we can help ensure that your career progresses in full compliance with the UK immigration law. Whether you require expert advice on your work visa options under the UK's Immigration.

Rules, an independent assessment of your prospects of qualifying for a work visa or professional assistance with preparing a work visa application or review, our immigration case managers can help.

“

It was extremely difficult to get funding for my business, but once I set up my UK branch I was able to raise capital. Thank you UK Residency.

JEAN AFZEC

CAMEROONIAN NATIONAL UK RESIDENT

SHORT STAY VISAS

Our immigration advisors are experienced in assisting with all types of visit visa applications. Whether you are considering travelling to the UK for a holiday, to visit friends and family, to undertake a business trip or short paid engagement, to get married or to receive private medical treatment, our advisors can advise you as to the most appropriate visit visa and guide you through the requirements of the Immigration Rules. If your application for a visit visa has been refused, our immigration case managers can advise on the merits of, and assist with, making a fresh application or challenging the decision.

“

We were already exporting to the UK and my family decided to take advantage of the Sole Rep route. We are happy and and look forward to UK.

BABLU MIAH

BANGLADESHI NATIONAL UK RESIDENT

STUDY VISAS

Our immigration advisors regularly assist international students to move to, or extend their stay in, the UK in order to pursue their education.

If you are over the age of 16 and have been offered an unconditional place on a course with an educational institution holding a Tier 4 Sponsor Licence then you may qualify for a Tier 4 (General) Student visa. Children aged between 4 and 17 years old can apply for a Tier 4 (Child) Student visa.

Our immigration advisors are experts in the immigration options for students and will guide you through the Immigration Rules in order to ensure that you can start your course of study on time.

SETTLEMENT IN UK

Our immigration advisors regularly advise and assist foreign nationals to secure indefinite leave to remain in the UK.

The UK offers various routes to settlement by investment, by working in the UK, as the family member of a British or settled person and based on long residence. Whether you require expert advice on the requirements of the Immigration Rules, an independent assessment of your prospects of qualifying for settlement or professional assistance with preparing an application or appeal with a view to qualifying for indefinite leave to remain, our immigration advisors can help.

RELOCATION SERVICES

Getting your visa and residency permit is very exciting —but there are many obstacles to overcome to successfully and safely start your new life in the UK. You do not have to cope with the stress of an international relocation alone.

Our relocation team will help you relocate smoothly and safely, through out expert guidance and services, tailored to your personal needs. Our services are end-to-end, from initial guidance of how to organize your relocation, to advice about the steps you need to take to settle in. We offer a full 360 turnkey solution, which will make your transition to the UK seamless.

“

I wanted to expand my business to the UK and diversify my investments. UK Residency were very efficient and professional.

KHALED BIN SALEH
KUWAITI NATIONAL UK RESIDENT

EDUCATION PLACEMENT

We understand that education is one of the most important requirements for our clients. UK Residency's education team provides the highest quality personalised service, working closely with parents and guardians to ensure that the right school, or university, is chosen for each and every individual. We provide tailored and impartial advice to clients from all over the world who seek to send their children to UK schools. UK Residency ensures that the right school is chosen for each child, with a strong focus being placed upon the individual aims, aspirations and needs of families and children.

In depth and thorough research, specific advice and decision-making based upon years of experience and up-to-date knowledge combine to make The UK Residency's education team the go-to consultancy for families who understand the value of truly professional support and want the best for their children.

“

The UK made sense for my family, business wise and personally. Tom was very intelligent and gave sound advice. I would recommend him.
